Whoa, did that just finish? You might have heard what happened today - SketchBook Pro 2016 portable 64 bit was suddenly discontinued in early June. We re still working on it, but in order to continue improving the software we need your help. In return for your spare time we are offering this private contest to replace it. The deadline is July 7th, 2016. Mail To Sketchbook Pro 2016 Portable 64 Bit We really want to have the best software for all the users we re still here, but due to the lack of support we ve slowed down the development. We need to pull the whole team in order to get things done quickly. So, we re asking for your help to complete this version. We ve already done most of the work so all we re looking for are a couple of last tweaks. If you re the kind of person we re looking for, this could mean the difference between a free software and a paid one. We got almost all the money we ve earned from our last version already so you re not gonna get any big money. But if you re the kind of person we re looking for, you can expect a sample of a brand new paid version within a month or two. There is still time though, as the contest deadline is July 7th, 2016 and we ve got a few days left. We will keep you updated in any news we find. If you have anything to ask, leave a comment on this post and we ll get back to you as soon as we can. All the best, your friends at Sketchbook Pro. Download SketchBook Pro 2016 Portable 64 Bit.
