Experience the joy of wordplay and the puzzle solving experience of a classic game. A puzzle that invites you to take a break from the world, while you wait for your puzzle to solve itself. While you wait, for those moments of quiet contemplation. Check: Take your first steps into a new dimension, one inspired by the greatest age of yore - the 8th century. Travel back to a time when royalty was still something of the past and the powerful act instead through the use of magic. Move through the lush surroundings with an array of weapons including the warrior's great axe, crossbow and spear, a bejewelled shield and magic staff. A game of multiple choice and strategy, you will be challenged with the game's puzzles in order to progress and save the realm of the noble and the low. Romilia: the Garden of Ahtea is a story driven point and click puzzle game that takes place in the beautiful city of Romilia. A city of art and beauty where the best architects and artists will always rise above the masses. Explore the city from the comfort of your home, taking in the sights of the city and solving the puzzles that await you, in a relaxing and smooth experience that will bring a smile to your face. Kaizo is a room escape survival puzzle game. In the 1920s, a fashion show was held to introduce the most flattering designer dress. That dress has magically transformed into a clown doll, and you are trapped inside. You need to find and open the door as fast as possible. Pulsar is a free-roaming, dual-stick shooter where you pilot a spaceship through a semi-open world. Warp between the stars by causing massive wormholes in space. Watch your shields recharge! The game features creative level design, which means the plot doesn't hold up the fun for very long. Most of the fun is in the twitchy gameplay and the adventure. The last-light hour of Passover, 4762 B.C. of the tenth year of Moshe's life (41:51), and the waning days of the Jewish nation's exile from the Land of Israel...
