GODS DESTROY US LONG AGO The fiery Gods have broken the peace of the world and the lands have started to collapse. Each one of them has a mysterious power that can only be controlled by the strength of the people. It is your mission to restore the lands by choosing the one who has the strongest power and the most dignified.

**Features Key:**

Open World: Explore a huge vast world with dynamic animation, seamless level transitions, and a new atmosphere of openness.

Three Levels of Difficulty: A variety of easy, medium, and hard difficulty options offer the option to challenge yourself as you play. You can select even the most difficult difficulty as you want to play.

Dynamic Events: Enjoy dynamic events when exploring the Lands Between, such as battles and attacks that occur only at certain times. Plan your tactics in the event that an enemy can surprise you.

Original Magic System: Discover powerful magic woven into fantasy themes in the form of spells that increase the attack power of weapons, armor, and magic.

Efforts to Create a Feel of Emotion: An excellent battle design and realistic customization encourages you to create a battle strategy that you will enjoy for years to come. The magic that you absorb through this game helps you create a powerful magic sword that is truly the source of hope for the world.

[5/5] FantasyRPGRisen: A beautiful and immersive RPG that honestly doesn't get enough credit. The roleplaying is fresh and lively, with great characters, well-written dialogue, and plenty of intrigue. For those who like to roleplay, this is a great start. [5/5] RPG:Risen has something special to offer players from a variety of fantasy RPG backgrounds. The dark and brooding fantasy feel and rich dialogue are a welcome change from the classic fantasy fantasy tropes. With great characters, witty dialogue, and a story that will keep you on your toes, this is a great fantasy RPG that should be tried by all fantasy RPG fans. [5/5] RPG Vault: If you like fantasy, you should definitely look into the FantasyRisen series. You can usually download the first game for free. RPG Roleplay: The new fantasy role-playing game that's been everything we've been looking for since the days of Baldur's Gate. The premise of the game is very similar to that game in the first place, and the style (combination of high fantasy and dark fantasy) is totally perfect for a role-playing game. You can find the first game free of charge on the internet. A high-level read. FILED NOT FOR PUBLICATION JUL 21 2010 MOLLY C. DWYER, CLERK bff6bb2d33
