The Tin Can soundtrack is a sequel to the popular 2010 video game, Tin Can, featured on the PlayStation 3 and Xbox 360. The soundtrack features some of the most popular and loved tracks from the original game. The soundtrack features some of the most acclaimed movies in cinematic history, such as The Princess Bride, or classic literature, like A Tale of Two Cities and The Outsider. You'll find the following tracks in The Tin Can Soundtrack: Anamorphosis A Tale Of Two Cities Another Brick in the Wall (The Brick in the Wall) Armageddon Beethoven (5) Beethoven (6) Beethoven (9) Battle of Britain Battle of Monte Cassino Beyond the Pale The Big Bad Wolf The Black Angel's Note Dawn (The Daybreak) The Day After The Day After (The Day after the Day after...) The Day After The Day After (The Day after the Day after...) The Day After The Day After (The Day after the Day after...) The Day After The Day After (The Day after the Day after...) The Day After The Day after the Day after the Day after...) The Day After The Day After (The Day after the Day after...) The Day After The Day After (The Day after the Day after...)
