**Sonicshack Design Studio Full Version ^HOT^**

---

This poster, made infamous by headlines after fans reacted to Sonic's extraordinarily muscular legs, was not a welcome welcome from the studio. And while it's true that Sonic has some really great legs, we still want Sonic the Hedgehog to be a complete character that could be marketed as an adult character. So we decided to find out what other games with above-average legged heroes and villains could offer and give us a chance to imagine that Sonic would actually be better than just jumping and jumping and jumping. Luckily, we already have a few ideas.
