Fixed a few minor bugs. 1.42 Sep 8, 2016 zebNet PowerPoint Keyfinder is a reliable and user-friendly application that enables you to recover the product registration key for the Microsoft Office application. You simply need to select the right version and let the software return the desired code instantly. Recover product keys zebNet PowerPoint Keyfinder is designed to detect the versions of the product you have installed on your computer. Thus, if multiple editions of the Office software are installed on your system, zebNet PowerPoint Keyfinder allows you to select the one you need to recover the key for. While its name suggests that you can use it to retrieve registration codes for multiple editions of PowerPoint, the software can only detect Microsoft Access Runtime installed on your computer. Nevertheless, it can identify multiple versions of Access as well. Quick product key retriever The product key you use for registering your software is stored in the computer's registry, but without the correct tools, it is difficult to retrieve. zebNet PowerPoint Keyfinder can recover the above mentioned code within seconds. The software is lightweight, simple to use and it requires a few clicks in order to display the registration code. This tool is useful when you need to view the product key, but you have lost any other record of it. Moreover, it can easily save the code in a text file, at the desired location, on your computer. The software automatically names the file after the current user

## **System Requirements:**

To play, you must install the Windows version of Torchlight 1 and Torchlight 2 and either version of World of Warcraft to play multiplayer. You may also play single-player offline in World of Warcraft, but you can not use the special weapon or class features of Torchlight 2. Torchlight 2 requires your computer to have at least a DirectX 9 compatible video card with 256 MB of RAM. World of Warcraft requires you to have a copy of World of Warcraft. Torchlight 1 requires a Pentium 166MHz processor, 256 MB of
